We have deep-seated experience in every market in which we have or will evaluate and execute upon opportunities.

On behalf of BCI, members of the QuadReal asset and development teams have been deeply involved in some projects recently completed. The integrated nature of these projects within their neighbourhoods, the pulse they are introducing into these communities and the well-conceived nature of the accommodation offered to tenants and residents are the hallmarks of the projects the QuadReal team will advance in the future as well.
